Example Shown:

Door Style  
Duleek / Matt Kashmir & Stone Grey

Handles  
Keyhole Bar 152/480mm / Code 065

## Duleek

When shape has to be pioneering and form must follow function, Duleek ticks even the most discriminating boxes. Elegant curves, sleek lines, glazed cabinets and perfect symmetry combine as an exquisitely choreographed display of local craftsmanship at its very best.

Opposite:  
Door Style  
Cologne / Trojan Oak & Horns White

Above:  
Door Style  
Cologne / Dakar

Handles  
'D' Handle / Code 002

## Cologne

With an air of poise and grace, Cologne's very a la mode accents elude to an update on the French farmhouse look. But taken a step further, down a path of true artistry, elegant curves and unmistakable design ethics deliver a modern masterpiece. An eclectic contrast of wood and painted finishes give just the right blend of panache and savoir vivre.

Example Shown:

Door Style  
Calcutta / Ivory & Stone Grey

Handles  
Beehive Knob / Code 073

## Calcutta

With a design that pushes the boundaries, Calcutta delivers one hundred per cent. Traditional elements of glazed storage bring country chic to bevelled doors. While gently curved units bring the benefits of ergonomics to this hard working design.

Example Shown:

Door Style  
Vancouver / Stone Grey

Handles  
Beehive Knob / Code 073

**Vancouver**

Country etiquette at its very best, Vancouver speaks of refined living with its recognisable design traits. Classic inlaid doors combine with a speckled marble top to create a timeless setting. Mixed with either contemporary or more traditional accessories, this kitchen looks equally dynamic with up-to-the-minute chrome or more rustic accents.

Example Shown:  
  
Door Style  
Duleek / Gloss Red & Gloss Black  
  
Handles  
Taurus Aluminium / Code 055

**Duleek**  
  
Dramatic, chic, urban - these are just a few words to describe this incredibly stylish kitchen. Gloss black doors coupled with extra thick worktops enhance the elegant linear design. This style of door also lends itself to a mix and match approach - for example, introduce a second colour such as red for an even more striking design.

Key Features:

Galaxy / Dark & Light Concrete

Handles  
Camden 'D' 168mm Antique Copper / Code 104

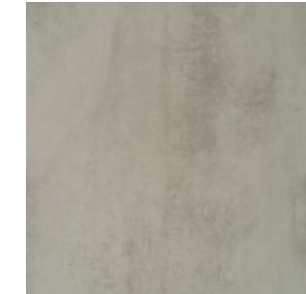

## Galaxy

Concrete, the classic material of industrial architecture, is increasingly being used indoors. Concrete surfaces have a characteristic expression that is always entirely unique. The streamlined design of the Galaxy door perfectly compliment the qualities that make this timeless material. Using a combination of both light and dark concrete finishes creates a dramatic, modern and yet rustic look and feel.
